PROFESSIONAL EXPERIENCE

Law Offices of Russell A. Woodard, Jr. | Law Office Intern | Aug. 2024 - Aug. 2025

- Managed confidential electronic and physical records while maintaining accuracy, organization, and attention to detail.
- Used Excel and reporting tools to organize case, financial, phone-record, and operational information for internal use.
- Supported document workflows, research, scheduling, client communication, and daily office technology needs.

Louisiana Tech University | Student Worker, Office of the Registrar | Fall 2022 - Spring 2024

- Provided front-office support to students, faculty, and staff through phone, email, and in-person service.
- Entered and tracked data related to transcripts, transfer credits, registrations, and degree-audit records.
- Protected confidential student information while maintaining electronic and physical records.

Thrive on Thrift | Associate Clerk | May 2022 - Dec. 2022

- Answered phones, assisted customers, processed transactions, organized merchandise, and supported daily operations.

TECHNICAL PROJECTS

taylorbentleyit.com | Personal IT Portfolio Website | 2026

- Built a help desk-focused portfolio site highlighting IT support experience, technical projects, resume, and contact information.

CIS 450 | Donation Management System - Thrive on Thrift | 2025

- Gathered requirements and designed workflows for donor requests, pickup scheduling, inventory tracking, reporting, and administrative processes.
- Supported database planning, system documentation, testing, and process improvements for a local nonprofit thrift store.

CIS 323 | Customer Email Automation System - National Jewelry Company | 2024

- Developed SQL query logic for customer birthdays, anniversaries, holidays, and targeted email campaign segmentation.
